March 12, 1996

Mr. Kevin Fox
President
Sugarcreek
760 Brooks Avenue
Rochester, NY 14619

Dear Kevin:

Attached find a write-up from our Mark Smith to the accounts listed which I thought might have some application in the future, relative to defeating the cigarette tax, which I am sure will be a problem down the road.

I also thought some of the rationale might apply to the Indian situation.

If Mark can be of any help to you, please feel free to contact him or myself.

Sincerely,

R. C. Farmer
